From (Name) P. H. RAMA REDDI ESQ., I.A.S.,

(Designation) Director of Agriculture, Madras.

To The Secretary to the Government of Madras,

Development Department.

Sir,

I have the honour to request sanction of Government for the plan and estimate for Rs.1,175/- (enclosed herewith) for providing water installation to the Agricultural Research Station, Siruguppa. The estimate includes a total sum of Rs.925/- as per rent data statement attached for water connections to the residential buildings on the station. As this amount will add to the capital cost of the buildings and will consequently increase the rent thereof, sanction of Government is sought for.

2. The Executive Engineer says that grant is

available for the work during the current year under "18- Irrigation - Works."

I have the honour to be,

S i r,

Your most obedient servant,

for DIRECTOR OF AGRICULTURE.

The necessity for the work is explained in the report accompanying the estimate. From the Data Statement at flag (A) it will be seen that the standard rents of the several quarters are already in excess of 10% of the average salary of the occupants; but as water supply is essential for the quarters a draft order approving the proposal is submitted. It may be sent to him for acceptance
